THE TEEL TRAGEDY.

William Teel, who killed himself in Brookville Wednesday night while in custody of Marshal Sayers of Augusta, charged with assaulting Anna Deering, a fifteen-year-old white girl, pulled a small derringer "from his sock," 'tis said, and shot himself through the heart before the Marshal could stop him. Teel was at one time Marshal of Augusta and a member of the City Council. While living at Milford over thirty years ago Teel killed Jack Casey. He was known as a practical joker, a large man with brutal instincts.

All run down, easily tired, thin, pale, nervous? And do not know what to take? Then go direct to your doctor. Ask his opinion of Ayer's non-alcoholic Sarsaparilla. No alcohol, no stimulation. A blood purifier, a nerve tonic, a strong alterative, an aid to digestion.

Martha M. True has qualified as Administratrix of the estate of Nancy J. True, deceased, with H. S. True surety on bond.

Miss Clara C. Davis of Mt. Carmel, who was operated on for appendicitis at Wilson Hospital a few days ago, is getting along nicely.

Insurance Commissioner Bell has prepared a table showing the premiums received and losses paid in Kentucky by stock, fire and fire marine insurance companies of other States and foreign companies for 1909, according to cities. It shows total premiums of \$4,513,857, and total losses paid of \$2,456,858. Maysville paid in premiums \$41,363 and got losses amounting to \$11,892.

SAVED LIFE OF OMAHA THEATRICAL MANAGER

Adam Bonoff, manager of the Krug Theater in Omaha, Neb., and living at 1511 North Seventeenth street, that city, in a statement given for publication, says:

"I have been a sufferer from stomach trouble for the past ten years, and had to avoid pastry, potatoes and all starchy food. I was nervous and restless, rarely ever getting a good night's sleep. I always awoke with a dull pain in my stomach, and belched gas frequently. I was constipated all the time.

"I traveled considerably in search of health, and treated with the best physicians in New York, Chicago and Hot Springs without relief, and finally was compelled to give up my business, as I thought, for good.

"A friend recommended Cooper's New Discovery to me. I was desperate, and decided to give it a trial. Am now feeling fine, eating and sleeping well, without any signs of stomach trouble, weighing more than at any other period of my life, having gained fifteen pounds in a few weeks' time. It is a duty with me to recommend Cooper's New Discovery, for I believe it saved my life."

I sell Cooper's New Discovery, the medicine recommended by Mr. Bonoff. It has a remarkable record, and has a tremendous sale throughout the country. I will take pleasure in explaining its nature to you.—Thos. J. Chenoweth.

The sick: Mr. Gilbert Collins, Mr. Jerry McNamara, Mrs. James Downey and Mrs. George Fisher, remain seriously ill.

Twenty-five dogs, rounded up by Pound Keeper Parks at Lexington, were liberated Wednesday night by unidentified persons and the big cage at the pound was found empty Thursday morning.

THE HEDGES CASE

Robert Barr Positively Identified As Murderous Night Rider

At Carlisle, the Commonwealth closed its case against Robert Barr, Jr., charged with complicity in the night rider killing of Hiram Hedges, with the introduction of the widow of Hedges.

She testified to details of the tragedy and identified Barr as one of the men who entered her home after her husband was shot.

Mrs. Hedges was much shaken on cross-examination.

Barr testified that he did not have any tobacco pooled at the time Hedges was killed, and denied that he was one of the night riders who committed the outrage. Barr was unshaken on cross-examination.

The Jury will reach a decision today.

Deafness Cannot be Cured by Local Applications, as they cannot reach the diseased portion of the ear. There is only one way to spread deafness and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; since cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O.
Sold by Druggists. Take Hall's Family Pills for constipation.

The Rev. J. B. Briney of Louisville is delivering a very fine series of discourses at the Christian Church this week. Mr. Briney is one of Kentucky's best known Ministers and is a former Pastor of the Maysville Church. Hear him tonight.

THE RIGHT THING

Maysville Will Spread Eighteen Thousand Gallons of Oil On Her Macadam Streets

At the last meeting of the City Council the Internal Improvement Committee was authorized to negotiate and purchase oil for spreading on the macadam streets, and in compliance with said instruction the Mayor, in conjunction with said Committee, after a thorough investigation and test of oil submitted by contesting bidders, awarded the contract to Mr. Hal C. Curran, Agent of the Standard Oil Company in this city.

The Committee contracted for eighteen thousand gallons at 3½ cents per gallon, being the largest oil sale ever consummated in this city, and the price the lowest ever named, considering the quality of the oil—the famous Ragland asphalt road oil.

The first consignment will come in a six thousand gallon tank car, and the balance as may be needed. The work will be taken up as soon as possible, there being several streets—Limestone, Plum, lower and upper Market streets—that will need very little attention before the oil can be spread. After once properly applied and tested our citizens will be so well pleased with results that they will wonder why they had not taken up the matter sooner.

Mr. Curran is a hustling oil salesman, having increased his business largely each succeeding year. So far this month his sales exceed by four thousand gallons the entire month of April, and it has been acquired by honest dealings and no misrepresentation as to quality or price.

Free Child's Remedy

What mother is not looking for something that will help her children in the little ills of life, something for the stomach trouble and the bowel trouble? Long ago she probably has become convinced that a child cannot readily swallow a pill or a tablet, and that to "break them in half and crush them" is an annoyance; that usually they work too drastically, and are nauseating and too powerful for the little one's stomach. Any mother who will take the trouble of sending her name and address can obtain a free sample bottle of a remedy that thousands of other mothers are using and now paying for. This remedy is Dr. Caldwell's Syrup Pepsin, and the offer of a free trial bottle is open to any mother who has not yet used it. Having used it and convinced yourself that it is what you want, you can obtain it in the future of your druggist at fifty cents and one dollar a bottle, just as so many others are doing, the free sample being simply to convince you of its merits. It is the best way to begin on it. Mrs. L. Davis of 187 W. Harrison street, Chicago, and Mrs. Mary Belford, 1719 Coko street, Louisville, Ky., both started with a free sample and now they write that they have never been without a bottle in the house since.

It is undoubtedly a great family remedy, as it is adapted to all ages, being mild and pleasant to take and yet thoroughly effective. It is especially the ideal remedy for children and women and old folks, who need something pure, mild and natural. It has the advantage of being a thorough laxative and yet contains tonic properties. Use it for the most stubborn constipation, indigestion, liver trouble, sick headache, sour stomach and such complaints with a guarantee that it will cure.

Dr. Caldwell personally will be pleased to give you any medical advice you may desire for yourself or family pertaining to the stomach, liver or bowels absolutely free of charge. I explain your case in a letter and he will reply to you in detail. For the free sample simply send your name and address on a postal card or otherwise. For either request the doctor's address is Dr. W. B. Caldwell, R. 507 Caldwell building, Monticello, Ill.

It seems the G. A. R. Committee wants the Memorial Day services to take place on Mower Park or the M. E. Church here.

All you distinguished comrades of Croxton Post come out to G. A. R. meeting on the Campground May 7th at 2 p. m.

W. H. Bonhio and wife, James Waldron and wife of Trinity and others from here attended Oddfellows dinner at Ruggles Campground Tuesday of last week.

The three frosts of last week did very little damage but the freeze and frost of Saturday night and Sunday morning—23d inst., 24th inst.—gave about everything green a black eye. We have examined the fruit on the uplands and find it all as black as Dick's hat-band. The locust, mulberry, paw-paw and hackberry bloom are all drooping like the weeping willow and a good part of the tree foliage looks as if Jack Frost was too cool for it. Now if some optimist will tell us why such changeable weather is best for the fruit crop the pessimists want to hear from him.

Limestone Lodge No. 36, K. of P., will confer the Knight Rank on a class of twenty-six candidates this evening. All members of the Knight Team will please report.

Doan's Kidney Pills never fail you.

Maysville people know this.

Read this Maysville case.

Read how Doan's stood the test

For three years.

It's local testimony and can be investigated: William H. Paul, 333 East Third street, Maysville, Ky., says:

"For two years I had pains in my back and other troubles, caused by disordered kidneys. When Doan's Kidney Pills were brought to my attention I began their use and they soon gave me relief. I cheerfully recommend this remedy as one that lives up to the claims made for it."

The above statement was given on December 13th, 1904, and on February 6th, 1905, Mr. Paul added:

"My opinion of Doan's Kidney Pills has not changed since I first recommended them. My cure has been permanent and I am now in good health."

VICTORY FOR EDUCATION

School Boards Have Authority to Use All Money Collected

The Court of Appeals rendered an important decision that means much for the cause of education in Kentucky. The Court affirmed the judgment of the Logan Circuit Court, holding that the County Board of Education has the power and authority to use all of the money levied and collected for school purposes in the county, and may use its discretion as to how the money should be spent. The Fiscal Court is required by law to levy a sufficient tax to raise the amount of funds asked for by the Board of Education, provided such amount will not require the tax rate to exceed 20 cents on the \$100 of the assessed valuation of taxable property subject to taxation for school purposes and \$1 poll or capitation tax.

Every Year

When you revive the furniture from its winter sleep you ought to add some little thing that will make your home permanently better. You have a battered, dingy chair, perhaps a table, a bookcase—some part of your household equipment is worn out and needs replacement. Make sure that the new piece is durable and of a good quality, so that you can hand it down as a family heirloom. High-class furniture, such as "Karpen" makes, costs little more than the cheap kinds. It makes your home a little better each year. With our easy payment plan it is delightfully simple to add these better things to your home. Beds, made in metal by several of the best designers in the country. Wood Suites, in the finer woods, especially one complete suit in CIRCASSIAN WALNUT of unusual beauty. Chairs for every room; Dining Chairs of rich golden oak, early English and mahogany. Rockers and Arm Chairs that make rest a pleasure. Dining Tables of oak and early English; some square, some round, some with five legs, others with center pedestal and famous Tyden lock. Tables for the dining-room of all widths and in eight, ten and twelve-foot lengths. Parlor Suites of three pieces and more, supplemented by Davenports and Odd Chairs that harmonize perfectly. Many Suites in mahogany and the finest grained oak.

PLEASE EXPLAIN

According to returns made to Council Maysville paid for keeping and guarding city prisoners for the past two months the liberal sum of \$621.80.

Too much money, ain't it?

There was a time, not over thirty years ago, when the prisoners were lodged in cells in the rear of the Council Chamber and were fed by the late John Heiser.

Then the keep did not exceed \$35 or \$40 per month. Can any one elucidate the whyness of the exceeding great difference in cost?

If you have piles, you know that the usual treatment with salves, suppositories or operations can't be depended upon for more than temporary relief. WOMAN ESCAPES OPERATION

Was Cured by Lydia E. Pinkham's Vegetable Compound

Elwood, Ind.—"Your remedies have cured me and I have only taken six bottles of Lydia E. Pinkham's Vegetable Compound. I was sick three months and could not walk. I suffered all the time. The doctors said I could not get well without an operation, for I could hardly stand the pains in my sides, especially my right one, and down my right leg. I began to feel better when I had taken only one bottle of Compound, but kept on as I was afraid to stop too soon."—Mrs. SADIE MULLEN, 2728 N. B. St., Elwood, Ind.

Why will women take chances with an operation or drag out a sickly, half-hearted existence, missing three-fourths of the joy of living, when they can find health in Lydia E. Pinkham's Vegetable Compound?

For thirty years it has been the standard remedy for female ills, and has cured thousands of women who have been troubled with such ailments as displacements, inflammation, ulceration, fibroid tumors, irregularities, periodic pains, backache, indigestion, and nervous prostration.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Mrs. Pinkham at Lynn, Mass., for advice. Your letter will be absolutely confidential, and the advice free.

DISTRICT CONVENTION

Meeting of Christian Church Workers at Elizaville This Week

The Twelfth District Convention of the Christian Church was held at Elizaville May 3d and 4th and was well attended by delegates from the various Churches in the five counties.
